But this amount includes messing charges of the student. He is getting a separate, maintenance allowance for the whole family in his native district in Malabar. His share of this allowance for three months, comes to Rs.60/- deducting this amount, the minimum assistance, that could be rendered to the student comes to Rs.109/- for the first three months of the academic year 1945-46. The student had been admitted to financial assistance under the scheme during 1944-45. From the Surgeon-General, dated 7th January 1942, No. R. 27353-2-H.

Order—No. 392, P.H., dated 2nd February 1942.

In partial modification of paragraph 2 of G.O. No. 4639, P.H., dated 23rd December 1938, the Government approve the Surgeon-General's proposal that the number of candidates to be deputed by local bodies for training as nursing orderlies in a training centre each year be fixed in future by the Superintendent of the hospital concerned instead of by the Surgeon-General.

2. The number of candidates admitted for training should not exceed the number of nursing orderlies actually sanctioned for a hospital (training centre) and the number for which it would be eligible on the usual ratio of one orderly for eight beds ; this ratio may be applied with reference to the sanctioned number of beds or the daily average number of in-patients treated at the hospital for the previous three years, if that be greater than the sanctioned number of beds.

Sir,

Sub: Education - Evacuees student - Sri S.Krishnamoorthy t. Aloysius' College, Mangalore - financial assistance - 1945-46 - recommended.

Ref: Government memo No.40046-B-45 dated 29-9-45.

The student was paid a repayable advance of Rs.109-0-0 for the first three months of the year 1945-46 agreeably to the instructions contained in G.O.No.1220-Edn. dated 10-8-45, and this fact was intimated to Government in my letter D.Dis.10750-45-dated 6-10-45

2. He has claimed Rs.360-0-0 towards messing charges for one year in the college hostel. The Principal of the College reports that the College hostel would remain closed, for four months in a year. Being an evacuee student he is getting a separate maintenance allowance of Rs.20 p.m. in his native district of Malabar. The claim of Rs.360/- made by the student for one year has to be reduced to 8 months, as he will have to reside elsewhere or with his parents for 4 months when the college hostel is closed for the vacation. Hence the messing charges of the student for 8 months, after deducting the monthly allowance he is separately getting comes to only Rs.80-0-0. As he has already been paid Rs.30-0-0, included in Rs.109-0-0 drawn and disbursed to him on 3-10-45, the net amount remaining to be paid to the student is only Rs.50-0-0 towards his messing charges for the remaining five months of the year 1945-46.

3. As regards his tuition fee of Rs.126-0-0 for the whole year, the student had already been paid Rs.42-0-0 included in Rs.109-0-0. Hence, the balance due is Rs.84-0-0. He has already been paid Rs.22/- towards hostel rent for 3 months and the balance reasonably required by the student comes to Rs.44-0-0. As for the purchase of books the student need not be paid any thing more as he had already been paidRs.15-0-0 claimed by him for the year and this amount was also included in the amount of expenditure, is the University examination fee of Rs.30/-. It has not been paid to him.

4. As the scheme does not provide for the payment of Personal dress of the student his claim of Rs.30-0-0 made under this item may be disallowed.

5. I, therefore recommend that a sum of Rs,(208-0-0)two hundred and eight only made up of the items noted below, may now be paid to the student, Sri S. Krishnamoorthy for the remaining period of the academic year 1945-46.

6. His application dated 16-8-45 is resubmitted herewith.

Details of expenditure.

1. Messing charges.	30-0-0	
2. Tuition fee.	34-0-0	
3. Hostel rent and	44-0-0	
. University Examination fee	30-0-0	
Total	Rs.208-0-0	

Rupees two nunared and eight only.
